Fairly simple work. You'll have a supply of clipboards, name badges, sign-up sheets and member cards. You'll set a time and place for your fundraising team to meet, first to hand out kits and then to get them back.

For those fundraising, this is no-questions-asked cash work. You keep half the take. You can door-knock, work the downtown, organize a fundraising event.

This is for a great cause, building an Hours Bank system of social security. **Help someone in need. Bank your hours. Receive help later in life.** Visit HoursBank.ca for details. In Peterborough, contact Dr. David Teertstra at en369@ncf.ca or by text at 613 243 5798.
