The PRO at Kew has Muster Rolls and the personal Doc's of soldiers who were discharged and awarded a pension. Volunteers from the "Friends of the PRO" have indexed the 1760-1854 discharge papers which are kept under WO97/1 to WO97/1271.

The index is on computer database in the reading room at Kew, & is incorporated in the main PRO Catalogue, called PROCAT, which can be accessed by anybody via the net. eg. if you are looking for someone in WO97 (an index of discharge documents to soldiers who were discharged to pension between 1760 and 1854)

Go to <http://catalogue.pro.gov.uk/BasicSearch.asp> (see mcgaway\regiment) Put his surname in Box 1; & "WO 97" in Box 3; to get eg:

Andrew Dowie b.Edinburgh, Midl; Served in 21st Ft Reg't; 42nd Ft Reg't Discharged aged 40, 1792-1815. The "piece number" WO 97/411/46 lets you view these <1854 docs on film at the PRO or the Mormons.

<http://catalogue.pro.gov.uk/ExternalRequest.asp?RequestReference=ri2005> has details on the WO97 series of docs. Kew also has Muster Rolls, Medal Rolls & Description Books, so check the index to the PRO's collection of info leaflets at <http://www.pro.gov.uk/leaflets/Riindex.asp> Check "Army Records for Family Historians" by Simon Fowler & Wm Spencer, published by the PRO, ISBN 1 873162 04 9, c£8.
