[Many immigrant McG's in PEI were from Arnipol (Mama) area (6e of Arisaig) Don 161; John 161; John 198; Hugh 28; Hugh 29 from this area but can't see link; plus an Arch b.PEI in 1831; stray with John 86.]

Desc believes John came to PEI on the 'Jane' in 1790/1. The Jane was piloted by Capt Fisher & carried emigrants from the Clanranald's Estate. It sailed from Druimindarroch (just below Arisaig) 12 July 1790 for the Is. of St. John in the Gulf of St. Laurence. *Archives of PEI (from Archives of NS; MG 1 161 599 #528)*. In his "Antiquarian Notes" Charles Fraser-Mackintosh the only instances of evictions from Clanranald properties were in 1790, when about 110 were removed from Ardnafueran (old name for Arisaig).

MacGillvray's on the 'Jane'; (full passage, i.e. Adult, was 12 years of age & older.)

Angus from Arnipol; 2 full pax, 1 child 6-8, 1 child 2-4, 2 infants.

John of Mamy Scotland traveled with 6 pax >12yrs.

John Jr of Mamy; two pax >12; one child 2-4 yrs & 1 infant.

John tenant from Alisary (3s of Arnipol), with 6 pax >12.

Hugh tenant from Airenskill, with 2 people >12yrs, 1 child 2-4yrs & 2 infants.

Hugh MacGillvray from Kylesmorar - 1 Adult

Keatherine likely a widow, from Easan (Essan near Mallaig), with a child 4-6yrs.

Wm tenant from Mamy; 3 pax>12; 1 kid 8-12; 1 kid 6-8 yrs; 2 kids 2-4 yrs, 1 infant.

Aboard the 'Lucy' (which sailed with the 'Jane', (from Kyles ?) was;

Donald M'Gillvray, carpenter; 2 adults, from Kylesmorar (8e of Mallaig)

(Dir of Scots to NA; Dave Dobson NLS; & p.238 of N'er Forget bk)

Glen Mama (aka Mamy) is a small stream & lake near Arisaig, in the W'n HL's from where many MacGillivray's came in 1790. The Gaelic word 'Mama' is pronounced 'Vamy', or 'Vamey' as it's also spelled in English; the 'V' sound apparently coming from the preposition in Gaelic meaning 'from', that is, 'MacGillivray from Mama'. Many of these MacGillvray's settled in NS (see Hugh 28 & Hugh 29).

<http://genforum.genealogy.com/macgillivray/messages/247.html> by Allan MacG\*]

Jane McG\* found a John More McGilvray in a land dispute with the Clan Ranald chief, from 1784, which roughly is GD201/5/180 10 Jun 1782;

Precept of removing in causa John McDonald of Clanranald & his curators against Donald McDonald, pretended tenant of Ardnafuaran, & John More MacGillivray, pretended tenant of Carnpoll (Arnipol) (& following is from Jane too)

Another document that has Farquhar MacGillivray of Dalcromby signing a bond on behalf of John & Ewan McGilvray of Mamy in 1751, as they had been captured in the hills in Moidart with weapons.

Another document briefly states GD201/2/28 16 Jun 1761

Tack by Ronald McDonald, younger of Clanronald, whereby for grassums advanced & for yearly tack duty, services & other prestations, he sets for 10 years to John McEacharn & Angus MacGillivra a ½ penny land of the lands of Arieinskill, & to John Adamson the other ½ penny land of the said farm, lying in Arasaig, upon condition of building houses, making enclosures, etc. with allowance of wood, liberty for building of houses & labouring utensils, except fir, oak, ash & elm. At Borradale.

Finally, an undated tack (though someone suggested 1730) that shows (among others)

Hugh M'G\* for the penny land of Mamie 70

Don McG\* for the ¾ penny land of Arnabol 66 (Arnabol just S of Loch Mamie)

John McG\* for the ¾ penny land of Arnabol 66

John McG\* younger for the ¾ penny land of Arnabol 66

Angus McG\* for 1 farthing land of Arienskill 22

1 female 16-21yrs. Next door is son Joseph McGilvray living by himself.  
Each plot is 50 acres, so Allan seems to have split the farm.  
1861 Census, Lot 44; Alex MacGillvray, F. 150 acres, 2 men 21-45yrs; 2 women  
21-45yrs; all 4 were married – so assume this is Alex & Angus, with their wives.
